

LEA P is a leadership program geared towards developing the essential qualities of a good leader – inside and out! Through the inspiring educational sessions, engaging group discussions, and challenging but highly entertaining activities, the participants learn to practice and fine-tune their leadership skills in a fun and welcoming environment.

Take the LEA P to:

- Learn and build leadership skills – and new games!
- Enjoy working with others and meeting new friends!
- Apply the tools to get to know and understand yourself better!
- Practice being a super-positive role model!
