WHERE TO DONATE?

All donations can be left at Lancemore Cultural Centre (916 Avenue Rd) or Kintore College (75 Charles St W.), labelled for the Hand in Hand project.

At this time we are only collecting mittens or cash donations/gift cards. We will be collecting until the end of October after which there will be a group of young professionals organized to distribute the packages around downtown.

ABOUT THE PROJECT:

October is now upon us and with it we are reminded of the fact that winter and the colder weather is coming. Already the evenings are brisk and there is a chill in the morning air. Those experiencing homelessness often have a difficult time with this change of season. We all know the feeling of having cold hands and how lovely it is to pull on a warm pair of mitts or gloves. This fall we are collecting new and used (but clean) mittens, which will be distributed to the homeless in the downtown area along with Tim Hortons gift cards which will allow them to get a warm meal or drink.
